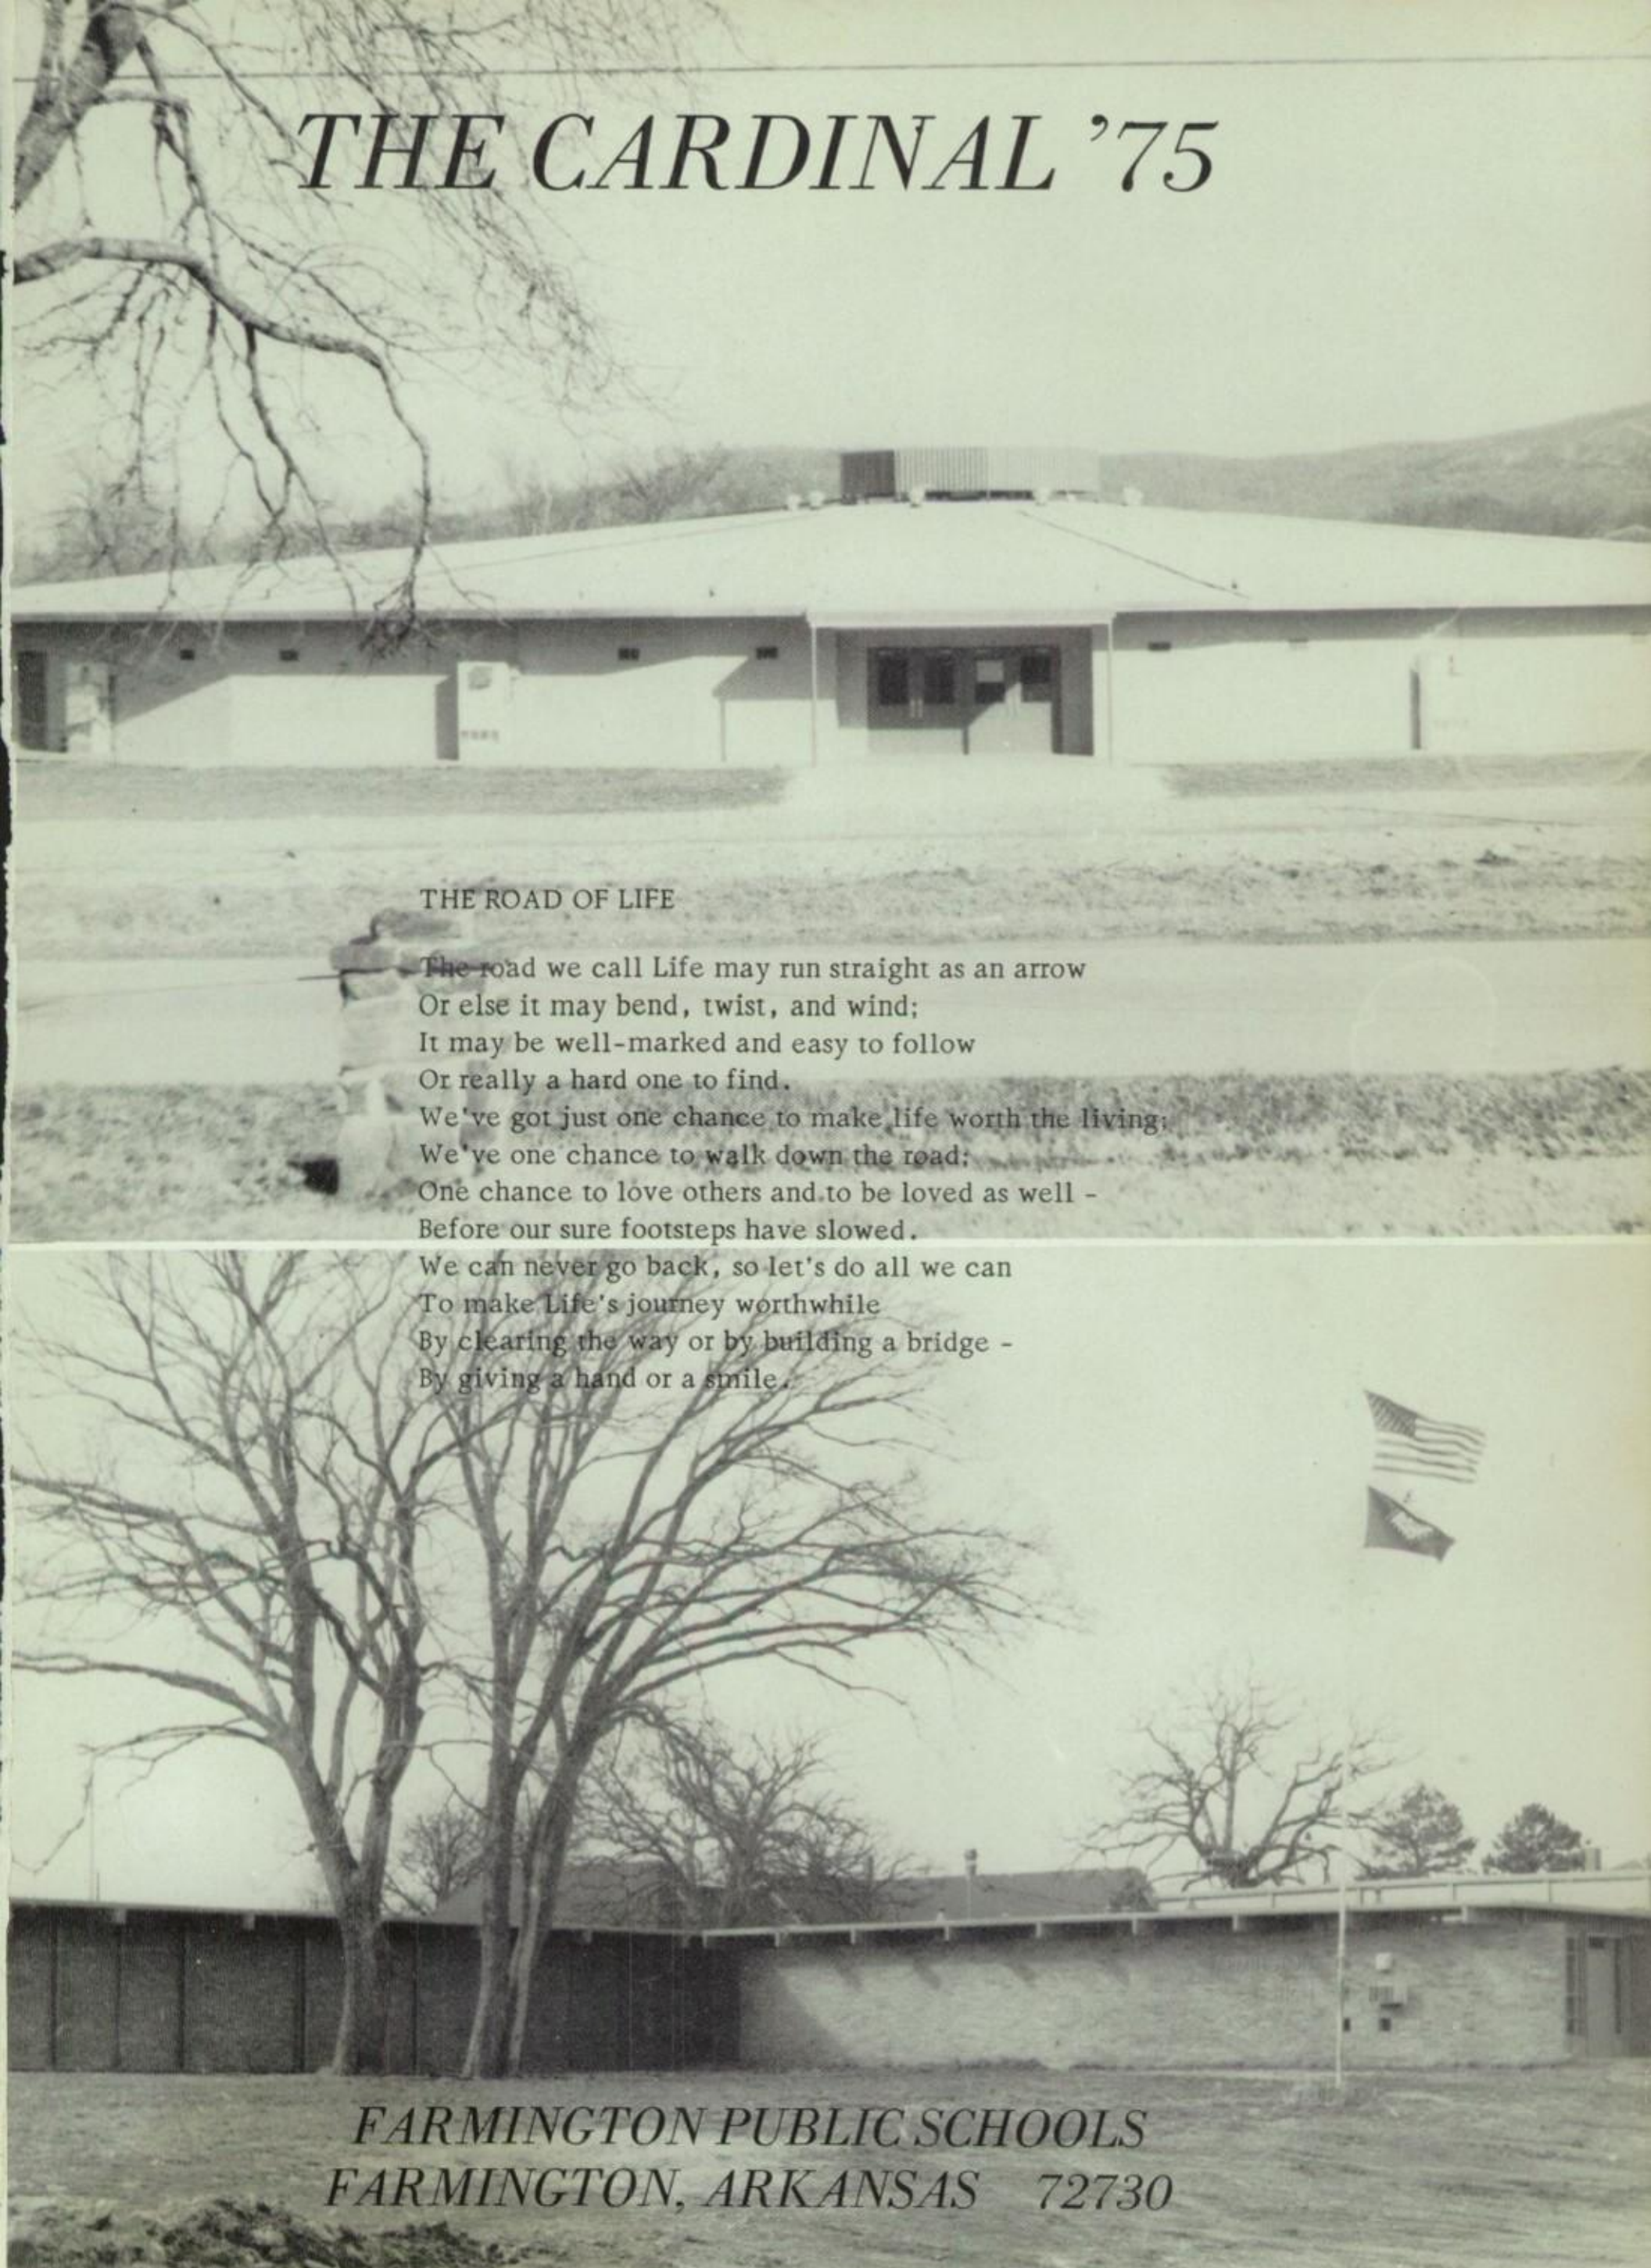
THE CARDINAL '75



THE ROAD OF LIFE

The road we call Life may run straight as an arrow
Or else it may bend, twist, and wind;
It may be well-marked and easy to follow
Or really a hard one to find.
We've got just one chance to make life worth the living;
We've one chance to walk down the road;
One chance to love others and to be loved as well -
Before our sure footsteps have slowed.
We can never go back, so let's do all we can
To make Life's journey worthwhile
By clearing the way or by building a bridge -
By giving a hand or a smile.

School Board Heads Legislation

(L. to R.) Robert Cunningham, President; Thornton Buchanan, Troy Drain, Raymond Elkins, Secretary-Treasurer, Bill Andrews, Vice-President.

The Farmington School Board concerned itself this year with upgrading the overall curriculum by initiating numerous special education programs on both the elementary and high school levels.

Under the newly-elected administration of Board president Bob Cunningham, the directors voted to enact new federally-funded vocational education programs in the high school: Auto Mechanics, Body and Fender Repair, headed by Wayne Sims; and Health Occupations, instructed by Carolyn Scott. These were brought to Farmington as part of the Board's plans for progressive education.

Members of the school board are elected by the people of the city and serve five-year terms.

ACTIVITIES

It is true, I never assisted the sun materially in its rising;
but, doubt not, it was of the last importance only to be present at it.

Student Council Provides Leadership

1st ROW: Gary Cooper, Candice Chick, Kathy Stokenbury, Bill Cooper, Linda Rosebeary. 2nd ROW: Terry Layman, Mike Edwards, Carla Odom, Sandy Wright, Susan Thomas, John Adair, Keith Shreve, Tina Osborne.

The Student Council is the students' voice in the school government. Representatives to the Council are selected by each class and officers are elected by the entire student body.

Many decisions on matters of importance to students were made throughout the year by the Council, led by President Bill Cooper. Other officers were: Kathy Stokenbury - Vice-President, Candice Chick - Secretary, Gary Cooper - Treasurer, and Linda Rosebeary - Reporter. Mr. Lynch served as sponsor.

Members of National Honor Society were busy as Teacher, Office, and Library Aides all through the year. The club, whose purpose is to promote scholastic achievement and service to the school, worked to obtain college scholarships for its members as a year-long project. A membership drive and initiation ceremony were held during second semester.

Sponsored by Mrs. Gail Saifi, NHS had the following officers during 1974-75: President - Philip Bruce, Vice-President - Dianne Sinor, Secretary - Candice Chick, Treasurer - Cheryl Sachs.

Sr. Beta Promotes Continued Education

The purpose of this national organization is to stimulate effort, award achievement, and encourage and assist its members to continue their education after high school.

A 3.0 grade point is required to be a member. One remains a member after graduation with all the rights of membership.

During 1974-75 Senior Beta sold mums for Homecoming, and stationery. The officers were:
President: Debbie Spinks
Vice-Pres.: Lisa DeVault
Secretary: Susan Thomas
Treasurer: Ceil Adair

Faculty sponsor was Miss Nancy Stines.

FFA officers prove that many parts of a pine tree ARE edible!!!

The purpose of FFA is to better the knowledge of young men and women toward agriculture. Requirements for membership are that one be enrolled in Agri and pay the dues of $2 per year.

Farmington's FFA chapter was federally-funded for the first time this year. Many field trips were planned by Mr. Roy Hummel, sponsor, including ones to the Fort Smith Fair, the Tulsa State Fair, and the Centerton, AR State Fish Hatchery.

Officers for '74-'75 were: Greg Oxford, president; Joey Lewis, vice-pres.; Robert Cheatham, sec.; Penny Chick, treas.; Russ Hutchison, reporter; John Adair, Sentinel; and Steve Shelley, Student Advisor.

Junior officers were appointed to replace regular officers who for some reason could not serve for a short period of time. These were: Carl Birkner, Scott Teff, Randy Spears, John Pierce, Jerry Marrs, Glenn McCleister, and Chela Tugg.

(l. to r.) KNEELING: Lisa DeVault, Debra Dorman, Carla Campbell. STANDING: Dean Ward, Timmy Preston, Debbie Spinks, Cyndi Andrews, Gary Cooper, Gail Broyles, Candice Chick, Dianne Sinor, Nellie Beeks.

The purpose of FHA is to promote the joys and satisfactions of homemaking, to further interest in home economics, and to encourage democracy in both home and community life. The flower of the organization is the red rose, and the colors are red and white - red for courage and the firm determination to succeed, white for the purity and integrity of youth. Their motto is "Toward New Horizons;" to learn to live better today in order that their lives and those of their families may be better tomorrow.

FHA Very Active

As usual, FHA was very active throughout the school year. They sponsored a Cake Walk at the Halloween Carnival and won a first place blue ribbon for their booth at the Washington County Fair. They honored the Sr. football team with a breakfast on the morning of the Homecoming game in October, and served dinner at meetings of the Farmington Lion's Club. They had a service project, attended the FHA State Convention in Little Rock in March, and had their annual Mother-Daughter Banquet.

Mrs. Watson talks with club members, discussing a problem that arose during a meeting.

Producing An Annual

(in five easy - ha! - steps)

1. First of all, planning of what is to be included and where it is to be put has to be done. Kathy S. and Candice C. are shown here doing this - a harder job than it looks.

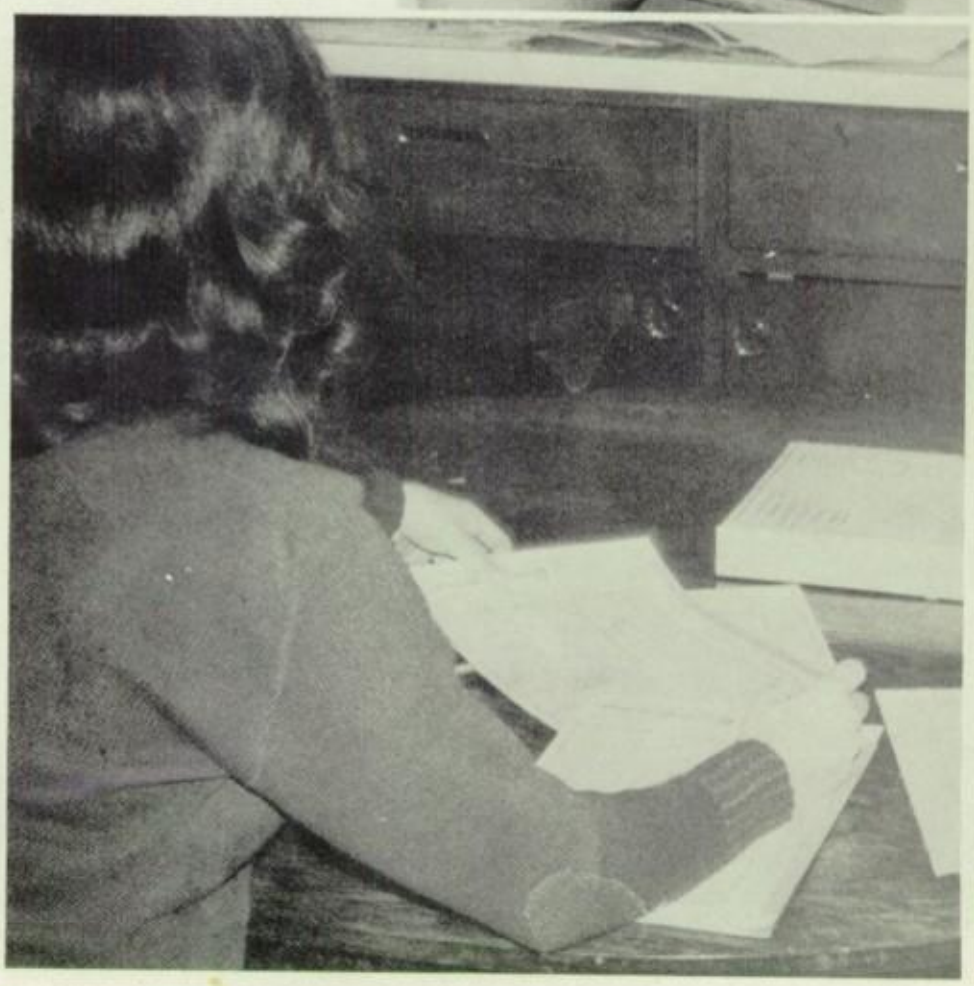
2. Next, the pictures have to be taken, cut, stamped, and fitted into a layout. This is one of the most boring, menial parts of the whole process.
3. and 4. After the pictures have been readied, layouts are designed, which takes a lot of time and effort, and then the pictures are numbered and the names typed.
5. Finally, the copy sheets are proofread for errors, pictures are (cont.)(below)



checked to see that they are properly numbered and put with the right copy sheet, a Copy Shipping Record is filled out, and the shipment is sent. This process occurs three times during the year.

The Cardinals started the 1974 campaign on a somewhat shaky start. Although rated number one in Class B, the schedule would provide ten opponents all eager to knock-off the defending State Champions. And as late as mid-July nobody knew who would coach the Cardinals.

The season started at home with Prairie Grove. The Cardinals swept to an 18-0 halftime lead and coasted to a 25-6 win. Elkins became the next victim by a 25-0 score. In the third game the Cardinal offense finally began to show its old form as Pea Ridge fell 54-0. The next three weeks netted impressive wins over Mountainburg, Yellville, and Lincoln. Then came Homecoming and West Fork. The Tigers provided all the fireworks during and after the game, but still came out on the short end of a 13-10 score. The Cardinals captured their third straight Ozark Conference Championship during the next three weeks with tough wins over Gentry, Greenland, and Decatur.

Razorback Stadium was the site as the state playoffs began with the Cards facing Murfreesboro. The Rattlers put up the strongest defense the Cardinals had faced, but two fourth-quarter touchdowns secured the Cardinals' 34th straight win and buried the Rattlers beneath the Astroturf. Next week, the Cardinals' hopes of a third straight state title ended at the hands of a highly skilled Gillett passing attack. Gillett surprised the Cardinals with their passing attack and rolled to a 28-15 win.

Although the season ended on a losing note, all were convinced the season was a success. The seniors whose career ended had compiled an unbelievable career record of 34 wins and only 2 losses, while the rest of the team established themselves in the Farmington winning tradition.

The Cardinals posted a highly successful 14-7 season mark as they played good basketball for the first time in a few years. Highlights of the season included a second place finish in the Greenland Tournament and capturing the conference crown. The Cards were less fortunate in the State Tournament, however, as Leachville handed them a defeat.

Billy Carter, Floyd Shelley, and Bill Cooper made the All-Tournament team at Greenland, and Billy Carter and Bill Cooper also made All-Tournament at the District Tourney. Bill was named MVP of the District Tourney.

Coach Randy Center's first year with the Senior High Girls yielded their best record in several seasons. Under his guidance, the girls developed poise, a desire to win, and a pride in themselves and their team.

This year the girls learned a lot as Coach Center stressed the FUNDAMENTALS of basketball. His instruction included many things the girls had never seen before, and as a result the girls learned a lot more about the game of basketball.

February was brightened by the second annual Valentine Queen Contest. Begun last year, the contest includes the nominating of candidates by each club at FHS, who then campaign for their votes. A Queen and two alternates are selected by vote of the student body.

Senior Debra Dorman was crowned 1975 Queen in the Valentine's Day assembly, with Linda Rosebeary named first alternate and Debra Abshier, second.

Members of the Queen's Court were Debra Houston, Gretta Garrett, Debbie Spinks, and Carla Odom.

The Seasons of Life

Memories on Life's paper - their words are so clear,
Their message is everlastingly true,
A written novel, a book of you;
Yes, these memories so close are so dear

In this memory you walked down the road of life
And perhaps there were a few hardships and strife
But always as you went on, Life became anew
It gave more meaning to be treasured only by you

Remember in the SPRING when all was free
Life was so simple, so glorious and happy
The sun could shine even on a rainy day
Because you knew not of hate's mysterious way

SPRING was new, as new as a leaf - in May
So perfect with innocence were you - in May

As you grew older you became a unique person
Yes, you could call this a SUMMER of maturity
You inherited an unbroken heart, a fragile box of sun
But the warmth faded and left you cold and empty

SUMMER was learning to know yourself - in July
And how it hurt to mature, a wonderful pain - in July

Oh, there is so much more to discover and find
Life is so much better in the AUTUMN of time
A heart was found, and was cherished because you know
This will be the special one to have and to hold

AUTUMN brought a love as beautiful as the trees - in October
One by one I began to count my memories - in October

The frosty fingers of Life's WINTER days
Crept upon you and left you old and gray
But still life is a melody of happiness
To grow older is to become a wiser with Life's experience

WINTER is now a time of silence, as pure as snow - in December
A time to fill those very last pages of life, yes - in December

At last you are at the end of your path
The story is now finished at last
Yes, memories on Life's paper, their words so clear
These memories so close are so very dear

What season do I see from this point on?
It's called the past, the beginning of eternity.

LET THE ARMY HELP YOU WITH COLLEGE.

Last year, 90,000 young people like yourself earned college credits in the Army.

They attended classes on post. They studied at nearby colleges and universities. And they took courses through our various correspondence programs. And the Army paid for 75% of their tuition costs.

Our educational benefits are in addition to the job training you'll receive, the salary you'll earn, and the travel opportunities you'll have.

If you'd like to find out more about all the educational benefits the Army has to offer, call your local Army Representative.

Is there life after high school?

"Congratulations," they said. "This isn't the end . . . it's just the beginning." They've said it a thousand times at a thousand graduations. While many young people just like you sat there thinking, "Where do I go from here?"

Where do you go for challenge? And opportunity?

Go Navy.

If you qualify, you'll get some of the best training available in highly skilled job fields. From missile technician to nuclear propulsion.

And you'll live a little, too. Travel. Work hard. Even swab some decks.

A good job. And a good life. The Navy: It's a good deal.

Get all the facts. Talk to your local Navy recruiter. Or call us toll-free anytime at 800-841-8000.

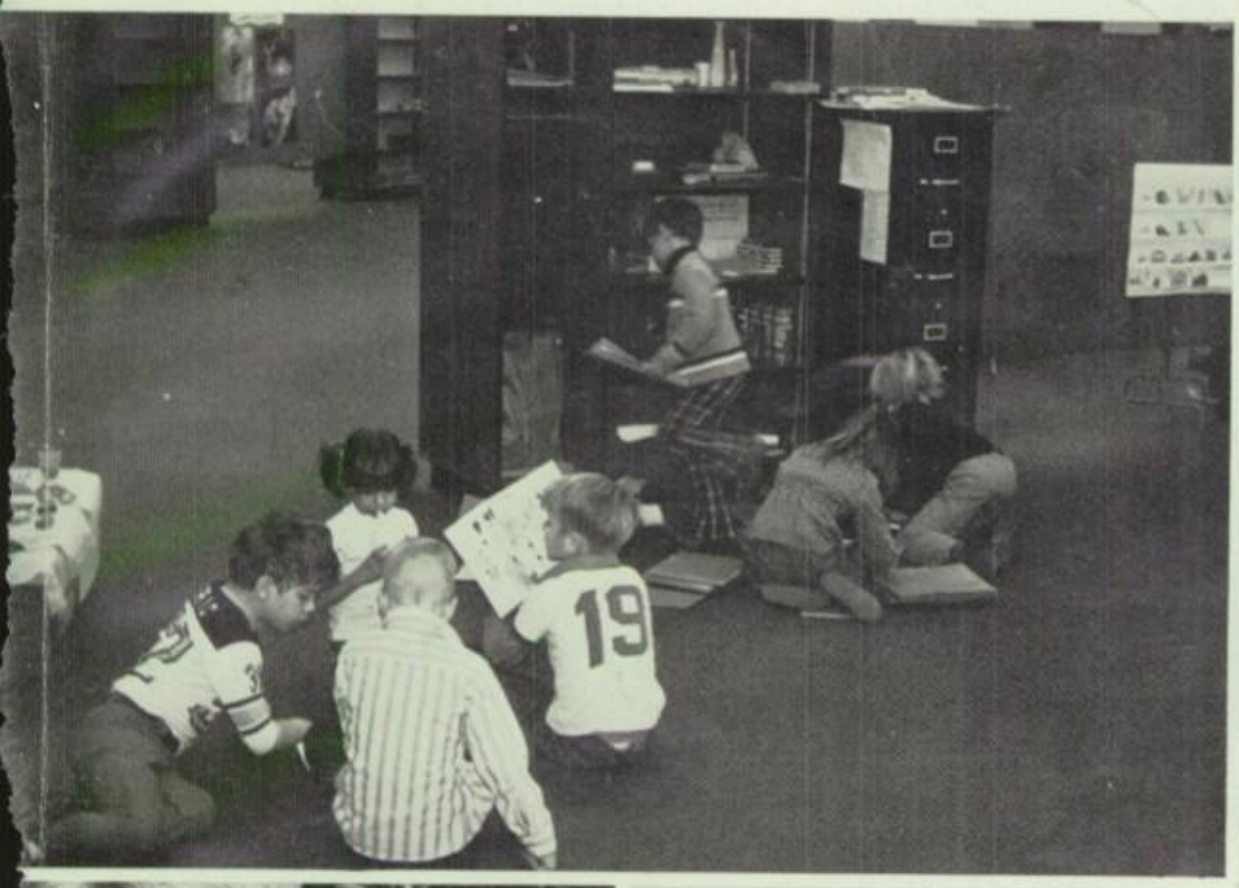
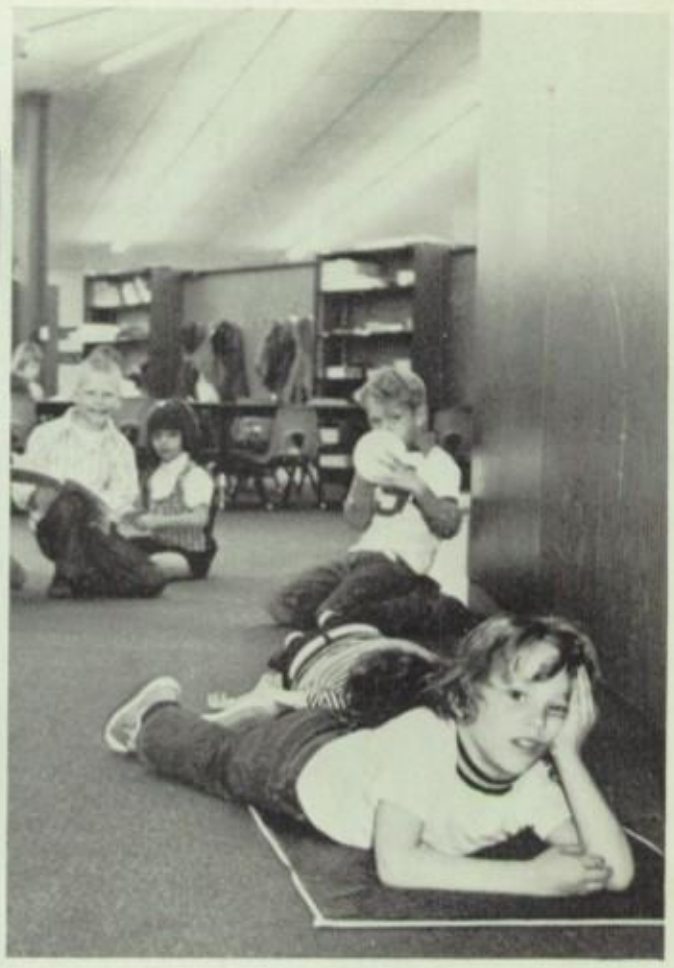
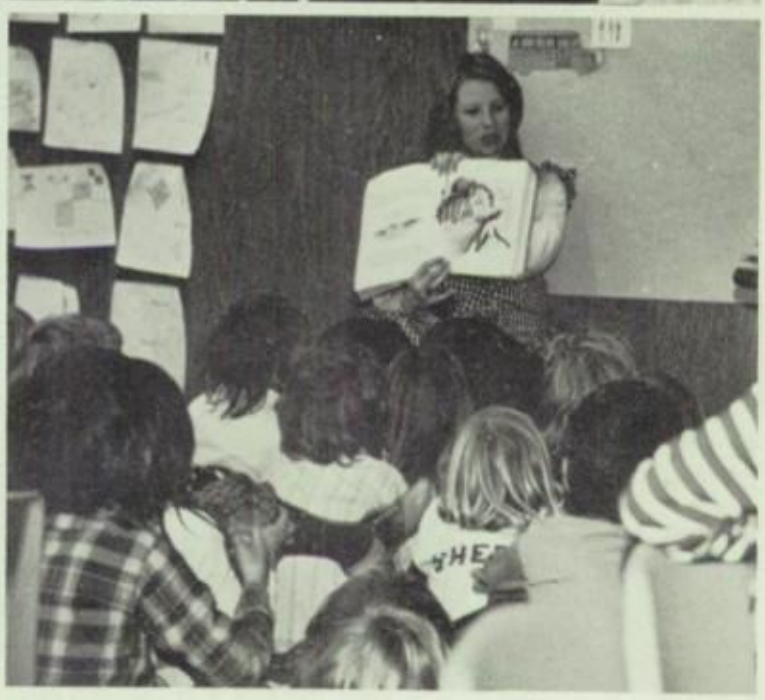
NOTICE TO OUR READERS:

We of the Annual Staff urge you to patronize the firms listed on this and preceding pages. The cost of producing each yearbook is considerably more than the amount we sell it for, and it is because of the aid of these businesses that we are enabled to publish an annual each year. Thank them for making your 1975 CARDINAL possible by giving them your business.

Construction Completed On







New Elementary School

The 1975 Annual Staff
wishes you -
Good health and happiness
all your life through;
The pleasure of doing
the work you like best;
Hours of leisure
for play and for rest;
Pride in the things
you've accomplished so far;
Wisdom to know
what your goals really are;
Patience when problems
arrive at your door;
Belief that still happier
years are in store;
The blessings of friends
Who make your day bright;
A strong sense of humor
to keep your heart light;
And always, the knowledge
that God up above
Is caring for you
with His infinite love.

Phil, Best wishes always, & lots of happiness in the future,

Sincerely,
Mrs. Watson
